When you attend the [5th Annual Home Buying Fair](http://www.coastalhousing.org) on May 14th 2016, you can also attend our free home buying seminars offered throughout the day!

Learn from local experts who have partnered with Coastal Housing Partnership in our commitment to helping you realize your dream of home ownership. They will help you understand what you need to know – and the questions you should ask – so that you are the strongest home buyer you can be. The information will give you the tools and confidence to compete effectively in today's real estate market.
