

# Network Partners

Coastal Housing Partnership provides housing benefits through a network of real estate professionals that offer savings on their services to employees of our member companies. They contribute to our program because they care about giving back to our community, and we're so grateful for the work they do! Our local network includes:

- Real estate agents
- Lenders
- Home inspection firms
- Landlords
- Residential Developers
- Residential moving services

Browse and sort the following directory by service type or location, or search by name or company. Carefully review the products and services offered and reach your own decision as to which real estate professionals to work with. Partners may be added or removed or may change their discount structure at any time.
