

Home Buying Savings

Purpose: Make buying a home more affordable by reducing the closing costs associated with your home purchase.

How the Program Works: Significant reductions in closing costs are available to employees of Coastal Housing Partnership member employers. Buyers may receive generous contributions from home inspectors and lenders, as well as credits from the real estate broker/agent when utilizing the services of the home inspectors, loan officers and real estate agents on the attached list. Updated lists of the Network Service Partners that offer closing cost contributions may be obtained from the Coastal Housing Partnership office.

Since the seller commonly pays the real estate broker commission, how does the buyer benefit?

In a typical real estate transaction, the seller pays the real estate broker a commission based on the purchase price of the property (for example, 5% of the purchase price). This commission is generally shared between the seller's and the buyer's brokers. The Coastal Housing Partnership *Home Buying Benefit* allows employees of Coastal Housing Partnership member employers to receive a percentage of the buyer's broker commission as a credit toward their closing costs if they engage an Agent who is one of our Network Service Partners. This credit is received through escrow as a credit to closing costs.

Buyers receiving the commission credit need to make sure their lender & escrow agent are aware of the commission credit from the real estate agent in order to receive the full credit.

Commission credit is available to the extent allowed by your lender and is capped at \$7500.

Eligibility: This benefit is available for owner-occupied residences in Santa Barbara County, Ventura County and San Luis Obispo County. In order to participate in the *Home Buying Benefit*, you will need a Letter of Authorization from the Coastal Housing Partnership. Please inform the Network Service Partners you select that you are part of the Coastal Housing Partnership.

Contact Coastal Housing Partnership at (805) 969-1025 to obtain your Letter of Authorization
