Rental Search Site

Coastal Housing Partnership hosts a rental search service that is free for you to use, as an employee of a member company. The site has property listings from local landlords in Santa Barbara and Ventura Counties. The site allows you to search for rental properties with your specific search criteria. If a property that meets your criteria is added after you have visited the site, you will receive a notification email. Check out this [short instructional video](#) to learn more about how to use the site.
