

Your Housing Benefits

Whether you are purchasing a home, refinancing your mortgage or renting an apartment, you are eligible for significant savings since your employer has partnered with nonprofit Coastal Housing Partnership. There are no income restrictions to use these programs and you do not have to be a first-time home buyer.

June is Home Ownership Month!

In conjunction with Home Ownership Month, Coastal Housing Partnership will be posting home buying tips and resources to help you on your path to home ownership, as well as success stories of local employees who have purchased homes using Coastal Housing home buying benefits.
